ommunity Information Exchange Meeting. This is an open forum for senior leader spouses, Family Readiness Group (FRG) leaders and community members. For more information, call 263-8089.

■ Army Community Service • 263-8327 (Map location 2)

RELOCATION READINESS PROGRAM, 263-8089

• Medical Morning and Community Tour

Healthcare professions provide information about medical care and counseling services in Japan and the military community. A pharmacy class, which is mandatory in order to receive over the counter medications, is also given during this briefing. The briefing will be held on 20 August in the ACS Community Room 8 - 11am. The morning briefing is mandatory for military and civilian personnel. Adult family members may also attend. The IN/OUT Processing Office (263-4122) will schedule attendees for this program.

A community bus tour will be conducted immediately following the briefing. Spouses new to the area are encouraged to attend. Lunch will be provided. The tour is scheduled from 11 am - 2:30 pm. Please call ACS at 263-8327 to register (tour only); otherwise, call IN/OUT Processing to sign up.

• Newcomer's Train Class Parts I & II

Train Class Part I will be held on Thursday, 21 August, 6 - 8 pm, in the ACS Community Room, Building 402. Get out and see Japan! This

class will teach you how to read the signs in the stations, buy train tickets, and more.

Train Class Part II will be conducted on Saturday, 23 August, 9 am. Join us as we practice how to travel by train and subway. Our class will travel to Tokyo, stop for lunch at the New Sanno Hotel and shop in Shinjuku. Children and family members are welcome; bring about ¥1,300 per person for transportation expenses. All attendees should meet at Gate 4.

• Video Teleconferencing

is now available to many service members and their families. Deployments rank as the most challenging and chaotic times of military life. The degree of difficulty a family or individual faces can vary greatly. Time away from home is a by product of military life. The days can be lonely and the nights long-for the families and service members alike. Deployments are a way of life for many, if not all, service members. Being far apart limits our ability to communicate. Army Community Service has a great way to connect over the miles. Video teleconferencing is now accessible to deployed personnel and their family members. For further information or to schedule an appointment, call ACS at 263-8327.

Command Right Start Program Installation Newcomer's Orientation

All newcomers are invited to attend the Newcomer's Orientation on Tuesday, 19 August, 8:30 am - 3:30 pm, at the Community Cultural Center, Building 267. The program will begin with a welcome by the Commanding General and the Garrison Commander. Several presenters will provide an overview of the policies, programs, and services at Camp Zama. An information fair will be conducted during this time which will offer participants an opportunity to meet community representatives and managers from MWR, DoDDs, AAFES, Commissary and Private Organizations. The orientation also includes a bus tour and a "Taste of Japan" luncheon. This program is mandatory for military and civilian personnel. Adult family members are encouraged to attend. Free childcare is available by calling CDS in advance, 263-4743.

FAMILY ADVOCACY PROGRAM 263-8057

The Family Advocacy Program provides services that are designed to prevent spouse and child abuse by improving family functioning, easing the kinds of stress that can aggravate or trigger patterns of abusive behavior, and create a community that is supportive of families. The prevention of family violence is a community responsibility which includes awareness, education, and intervention in high-risk situations. If your unit, or organization would like to schedule a class, workshop or seminar on topics such as spouse and child abuse prevention, reporting and referral procedures, safety education or family life enhance-

Sponsorship does not imply endorsement by the U.S. Government

ment etc., contact the Army Community Service (ACS) Family Advocacy Program at 263-8057.

The Reporting Point of Contact (RPOC) for suspected child or spouse abuse is the Military Police at 263-3002. If you have questions regarding child or spouse abuse, contact the ACS Family Advocacy Program, 263-8057.

- **Workshop**

12 August - Single Parent Support Group, 1:30 - 3 pm, ACS.

The desired goal of this group is to support others, identify and resolve issues that affect family and mission readiness, as well as provide educational information relative to our family systems. For more information, contact the Family Advocacy Program at 263-8057 or 263-3638.

COMMUNITY LIFE OFFICE 263-8327

- **Installation Volunteer Program**

The Camp Zama community is always in need of volunteers. Without volunteer assistance, many of the programs and services we now enjoy would not be possible. Your spare time can make a difference. For more information, call 263-8327 or come to Army Community Service, Bldg 402.

FINANCIAL READINESS PROGRAM, 263-8091

- **Bounce Checks**

If you bounce even one check, you could be denied a checking account at a new bank. Most banks report bounced checks to the interbank services ChexSystems. If you later apply for a new account at another bank that uses ChexSystems, it may refuse you for up to five years. Common sense dictates: don't write a check when you don't have sufficient funds in your account or to try to play the float by hoping that your pay check will be deposited before the check goes to your bank for payment. Also, balancing your checking account every time you receive your bank statement will ensure you know how

much money you have in the account. But, for your own self-defense, set up overdraft protection with your bank to ensure all checks clear. This will help you avoid the embarrassment, hassle and costs associated with a bounced check.

For additional information contact your unit tax or financial advisor.

AFTB AND AFAP / MOBILIZATION AND DEPLOYMENT PROGRAMS 263-4783

The Army Family Team Building program is designed to provide information, knowledge, and skills needed to gain better access to the community support programs provided to assist families throughout a soldier's career. Family preparedness and self-reliance is important to readiness because it provides peace of mind to deployed

soldiers. The premise of the AFTB program is "volunteer family member" assisting other "family members." The Mobilization and Deployment Readiness Program provides support to commanders of active and reserve component forces and emergency essential civilians during predeployment, homecoming, mobilization, deployment, stability and support operations. Providing assistance to Family Readiness Groups, conducting personnel training, operating a Family Assistance Center and a wide range of other services are among the services offered and available to the community.

If you are interested in taking any of the AFTB courses or would like more information on these programs, please call 263-4783 or email: kay.calton@zama.army.mil

CUSTOM FITTING BY MIZUNO

We are now authorized club fitters for Mizuno irons and woods. We can measure swing speed, lie angle, and shaft flex. Cost for the fitting session is \$25 (waived if you purchase clubs).

The Proper Way to Repair a Ball Mark

- 1 Use a prolonged ball mark repair tool (preferably), knife, key or so.
- 2 Insert at the edge of the mark—not the middle of the depression.
- 3 Bring the edges together with a gentle twisting motion, but don't lift the grass. Try not to tear the grass.
- 4 Smooth the surface with a club or foot. You're done when it's a surface that you would putt over.

Source: Golf Course Superintendents Association of America

Please repair ball marks on the green. A ball mark that is repaired correctly heals in a few days. If it is not repaired, or is repaired incorrectly it will be visible for weeks.

Custom Fitting by PING Golf

...We can now fit you for putters also!...

Camp Zama Golf Club has been selected by Ping Japan as the Custom Fitting Center for this area. Dale Jorgenson, Director of Golf, and Ernie Harada, Head Golf Professional, have been factory trained to help you find the best combination of lie, length, grip, shaft and model to fit your golf swing. CZGC has 30 different irons and 10 different woods to accommodate almost any golfer. Cost for the fitting session is \$25 (waived if you purchase clubs).
